John J. Trela, PhD., Director
Division of Hazardous Waste Managment
New Jersey Department of Environmental
Protection Agency
401 East State Street
CN 028
Trenton, New Jersey 08625-0028

Dear Dr. Trela:

The purpose of this letter is to inform you that we have received your request for CERCLA Removal Action at the Synkote Paint site located in Elmwood Park, New Jersey.

Mr. Dwayne Harrington of the Response and Prevention Branch has been assigned as the On-Scene Coordinator to evaluate this site for a removal action. A site visit will be scheduled within the next 10 days with the NJDEP project manager.

After this assessment has been completed, we will notify you whether this site meets the criteria for a removal action and if so when we would anticipate starting the action.

Should you require any further information on the status of this action, please feel free to contact Mr. Harrington at 201-906-6899.

Sincerely yours,

Richard C. Salkie, Associate Director for
Removal and Emergency Preparedness Programs
